## *Still Have a Paper Pilot Certificate?*

Recent changes to Federal Aviation Regulation 61.19(g) state that the holder of a paper pilot certificate issued under Part 61 may not exercise the privileges of that certificate after March 31, 2010. Airmen must request and be issued a plastic airmen certificate from the FAA, either online or by mailing in the proper form. There is a \$2 charge for each certificate issued. This regulation does not apply to student pilot certificates or temporary certificates. The \$2 fee is waived if at the same time you request your Social Security number be removed as our certificate number. The FAA says to allow 4 to 6 weeks for mail processing and 7 to 10 days for online processing so don't delay!

## *Clubhouse/Monocoupe Volunteer Work*

Many volunteers have been working very hard on the addition to our clubhouse, and we are nearing completion. Also, many members attended the club's Superbowl Party. Everyone enjoyed the game, food, and fellowship. Restoration is progressing on the Monocoupe with installation of the windows being one of the latest accomplishments.
