EAA Vintage Chapter 37, Oct, 2017

President's Corner

Sebastian Baumgardner

I hope everyone is ready for cooler weather. The days are getting shorter and the nights longer narrowing good flying opportunities. I encourage everyone to take advantage of all the remaining good weather flying.

We still have several events remaining this year. This Sunday will be our annual Chili Fest. Also still to come are the monthly breakfasts, Airport Cleanup Day, chapter elections, and our Christmas gathering.

As we get ready for the holidays it's a good time to recollect on all the relationships that bring us together as aviation enthusiasts and friends.

I would also like to take the opportunity to remember Larry Stone who passed earlier this month. As I think of Larry I remember he was always up to something. It was an adventure every encounter seeing what he was getting into. He was a great ambassador of promoting aviation and will be missed.

Good weather is forecast for this Sunday, so take the opportunity and fly in to our Chili Fest! See you at the Hangar!

Our next chapter meeting is Wednesday, October 25, at the Hangar.

~ Sebastian

VAA 37 Fly-In/Drive-In Chili Fest!

We are planning our fall Fly-In/Drive-In Chili Fest for Sunday, October 22nd. Fest activities will get underway at the clubhouse around noon, and we plan to start enjoying the chili and other fixins shortly there-after.

We need members to bring corn bread, side dishes, and dessert to share, and your special Chili if you wish! The chapter will provide pop and water etc. and also bowls and utensils.

Call our Pres. Sebastian at 260-908-2156 if you have any questions. See you there!

Pancake Breakfast at the Hangar!

Our Pancake Breakfasts at the hangar are going well, thanks to our volunteers and our happy patrons. Remember, no charge, just a free-will donation. Come on out Saturday, October 28, 7-10am for a great breakfast at the airport!

Airport Cleanup Day!

Our VAA37 Airport Cleanup Day is currently set for Saturday, Nov 4. The good warm weather is extending so far into fall that I noticed today that the airport is still very busy mowing the grass. So the cleanup day may be delayed a little longer. However, as of now the cleanup is scheduled for Nov 4. We'll send out an update confirming the date when the airport is ready for our cleanup activity.
