*EAA Vintage Chapter 37, Aug, 2018*

### *President's Corner*

*Craig Bartscht*

*At this point in our 2018 activities, we have two more major events in the rearview mirror. More recently, AirVenture 2018 has been a record breaker with over 600,000 visitors and record aircraft attendance. Many of our members are heavily involved in multiple areas within AirVenture. VAA 37 is not only well represented at AirVenture but in various capacities at EAA throughout the year as well.*

*The GWB open house on July 14 was also an unqualified success. The weather was hot but favorable. Many groups participated in the event but for our part, not only did we fly almost 100 Young Eagles and put on a successful breakfast beyond any scale we could have imagined, we also provided support in numerous other areas on the airport property.*

*In short, when challenges arise, we have proven ourselves up to the task. In our wrap-up meeting for the open house, it was decided that we will do this again next year. Our experiences this year will help us be better prepared for the next airport event.*

*Labor Day weekend is right around the corner and in addition to our regular activities, we will be hosting the "Candler Field Express" DC-3 on that Sunday. [Details of what will be expected of us will be discussed at our next meeting on August 22 at 7PM.](#)*

*See you at breakfast on the 25<sup>th</sup>!*

## Young Eagles Update

David and Laramie Resler

The weather was perfect for the first part of our special July Young Eagles Rally at the GWB Airport Festival. There were 21 ground volunteers, eight pilots, and we flew 99 kids. We had to stop before all the kids who registered could be flown because the radar indicated a storm was coming.

Our last rally for 2018 is August 25. That doesn't mean YE flying ends. YE can be flown any time. Make sure to complete the registration form, give the kids a certificate and log book then mail them to EAA. Please leave the YE registration form on the ground when you are flying. Be sure to let me know if you fly any YE so I can update my records. There will be breakfast at the Vintage hangar at the 8/25 rally.

Let us know if you can help with YE either by email at [youngeagles@eaa2.org](mailto:youngeagles@eaa2.org) or text to 260-402-3478. Be sure to leave your name in the text in case I don't have your phone number stored in my phone.

Help us advertise the rallies. Tell your family, friends, neighbors, members of groups you belong to. Put it on your Facebook page.

Smooth Air!!
