EAA Vintage Chapter 37, Oct 2019

President's Corner

Craig Bartscht

Fall has finally arrived and we now enjoy a break from the heat and some gorgeous flying WX. I hope you are all getting out to enjoy it!

As things slow down, we still have seasonal things to tend to. Due to calendar constraints, we will be combining our airport equipment cleanup day with our chili cook-off this Sunday the 20th. As you know, part of the favorable rent we enjoy for our hanger and clubhouse include the obligation to clean the airport equipment both spring and fall and we will need some able bodied volunteers to help with the work.

Cleanup will run from 09:00 to noon followed by Chili at 1pm. Watch for the email blast.

Also, make a note to attend the chapter meeting Wednesday the 23rd at 7pm. We will be having a discussion regarding our Scholarship Policy.

Finally, our monthly breakfast will be Saturday the 26th from 8 - 11.

Looking forward, on November 1st, member Tricia Peters will be hosting a visit to FWA's control tower. For more information call her at 260-739-2284 and look for the email reminder.

Mercifully short, that will be all for now.

As always, keep the greasy side down,

Craig

Airport Equipment Cleanup Day!

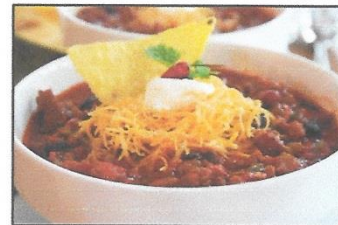

The GWB airport equipment clean-up day is Sunday, October 20 from 09:00 - 12:00.

This is just prior to our VAA 37 Chili Fest at the Hangar which begins shortly thereafter.

As always, the equipment clean-up is a part of our Chapter's obligation to the county for the fabulous rate we enjoy for our monthly hanger rent.

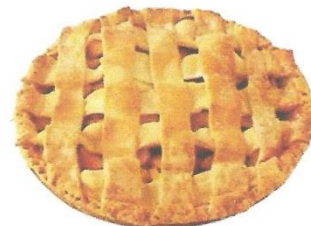

VAA 37 Fly-In/Drive-In Chili Fest!

We are planning our fall Fly-In/Drive-In Chili Fest for Sunday, October 20th. Fest activities will get underway at the clubhouse around 12:30pm, and we plan to start enjoying the chili and other fixins around 1pm.

We need members to bring corn bread, side dishes, and dessert to share, and your special Chili if you wish! The chapter will provide additional chili and pop, water, bowls and utensils.

Call our Pres. Craig at 260-348-4776 if you have any questions. See you there!

Young Eagles Update!

Laramie Resler

It was a busy year for Young Eagles at GWB. In addition to our three regularly scheduled rallies, we agreed to have an additional rally for the DeKalb County Airport Open House. Due to scheduling, the Open House had to be rescheduled for another date. We decided that because we had advertised for September 14, we had to have a rally and we agreed to have another one the following day, September 15, which was the new date for the Open House. That made a total of five rallies at GWB.

We started using the new YEday.org website for registering our Young Eagles. After a few bumps along the way and learning the new system, it went well. EAA receives the YE registration information faster and pilots can see their updated number of flights sooner.

The total number of kids flown at GWB rallies was 179. Because of the change in YE credits made by EAA, all 179 will count and earn YE credits to be used next year for Air Academy tuition and YE supplies.

Thanks to ALL who helped at our rallies this year! It would not be the success it is without you!
