EAA Vintage Chapter 37, January 2020

### President's Corner

Andrew Hershman

*“Even a dead clock is right twice a day”, is sometimes what comes to mind when dealing with a young mind. Our daughter Evelyn uses the term “yesteryear” frequently when describing the prior day’s events. On January 1<sup>st</sup> 2020 she used the word correctly for the first time.*

*With new understanding and a new year comes the time to reflect on the past and make our appropriate resolutions. Maybe you resolve to change a health habit, achieve a financial goal, fly more or even give last year’s resolution another chance. I would encourage our membership to remember Tom Waterhouse as an example of what volunteerism looks like. Let us all resolve to not let that great volunteer spirit relax as we look forward and start our next year.*

*It was almost three years ago when I showed up as the “new guy” at a Wednesday chapter meeting with a 1 yr. old in tow. I will admit I didn’t know what I was getting into, but I knew if I were to begin to fly maybe I should get involved in a local chapter or social group. I want to thank you all for the warm welcome and friendships I have found here at Chapter 37. The encouragement was well received and if it were any different I may not have even started to fly at all. I am sure we all have our own reasons for wanting to fly and there are many reasons we all experience that could keep us from making it happen. Thank you for being a chapter that could be counted as one of those good reasons to stick through it!*
