EAA Vintage Chapter 37, October 2020

President's Corner

Andrew Hershman

Stop, pause, take a minute to catch your breath and at least notice the beautiful fall flying weather. Somewhere between the troposphere and the mesosphere is the politosphere and recently the weather at that altitude has been quite overcast with a severe chop, plenty of hot air and heavy downdrafts! It goes without saying this year continues to prove itself as one we will remember whether we want to or not. Stay calm and fly on!

We have some events on the schedule these next few months so I look forward to seeing you around. At our vintage hangar this Friday, we have our October hangout event. I hope you received the reminder and have room in your schedule to attend. We hope to show a movie I believe anyone interested in the 8th Air Force, WWII would enjoy seeing. It is called The Cold Blue and is worth the watch. A return of our Saturday pancake breakfast is also on order. Volunteers are always welcome and I am sure many are looking forward to seeing it return. Thirdly, Chili isn't usually for breakfast, but it will be at the hangar for our annual Chili cookout. This year we moved it to November 14th.

You may have heard or noticed the meeting time for the Chapter has recently been changed. It was decided at the September meeting, after a survey of our membership and a meeting motion that in an effort to make the meeting more convenient we will hold meetings on Thursday night at 7:00pm. We hope to see a few more faces soon! Our October meeting is October 15th. Also note it is the now the third Thursday of each month as not to interfere with Thanksgiving for our November meeting.

Looking further forward, in December we will host a virtual viewing of the Wright Brothers Memorial Banquet. Captain Jim Lovell is the featured speaker and it looks to be a very worthwhile event even if we can't attend at Oshkosh in person. The Doors open at 6:30 so watch for more details as December gets closer.
