EAA Vintage Chapter 37, May 2021

### President's Corner

Andrew Hershman

*Let me begin by thanking all those who graciously were able to lend a hand and help out with the annual spring airport cleaning session on April 17<sup>th</sup>. We had a good turn out of individuals and even as I couldn't make it myself, plenty of able hands were able to make good work on the commitment. Thanks to all who helped and provided food!*

*The May 1st Young Eagles event kicked off the 2021 season with 7 participants. Although the turnout was light the upcoming summer dates are quickly approaching and like previous summer dates will prove to have a full lineup of participants. Many thanks to those who helped both on the ground and in the air. Please see Laramie's not in this newsletter for more information on how to get involved.*

*We are currently in the process of putting together the details and plans to possibly host EAA's B-25 the weekend of August 14<sup>th</sup>. More details will be developing, but it appears there is an opening for the northeast Indiana area to host the aforementioned weekend. If it comes to fruition will need to field a group of volunteers able to accommodate guests, riders and all around hosting and marshalling duties associated with the tour. More details to follow as the planning develops.*

*Also, do not forget the May breakfast is scheduled for this Saturday the 22<sup>nd</sup>. Let's hope for some decent flying weather to permit a good showing of aircraft again!*

**Breakfast Fly-In / Drive-In**

We have established that we will use the Covid rating system to determine whether we host the breakfast each month. With a rating of yellow or better (10-99 new cases per week) in Dekalb County we will heat up the pancake griddles! We look forward to being able to fellowship with everyone!

**Young Eagles Pilots and Volunteers!**

The dates for our remaining 2021 Young Eagle rallies at GWB are June 19 and August 28. The dates for rallies at SMD are June 12, August 14, and September 11. The rally at C62 is September 18. They are also listed on [www.VAA37.org](http://www.VAA37.org) and [www.EAA2.org](http://www.EAA2.org).

If you have not already told us, let us know at which ones you will be flying or helping as ground crew. An email will be sent to those signed up on the [yeday.org](http://yeday.org) website. This will help us plan how many kids we can register for each event.

Good news from EAA!! "Pilots who fly Young Eagles during June, July, and August 2021 will earn double the usual amount of Young Eagles credits! For each Young Eagle Flown during those months, a credit of \$10 will be awarded to the chapter affiliated with the pilot, or to the pilot if they are unaffiliated."

Please send an email to [youngeagles@VAA37.org](mailto:youngeagles@VAA37.org) or text me at 260-402-3478 and include your name in the text.

Thanks for what all of you do to make the Young Eagles program a success! They are also listed on [www.EAA2.org](http://www.EAA2.org) and [www.VAA37.org](http://www.VAA37.org).
