EAA Vintage Chapter 37, August 2021

President's Corner

Andrew Hershman

The event well anticipated and long looked forward to is now behind us and it appeared to be a huge year for Airventure. Well over 600,000 people were in attendance for the week placing 2021 in one of the higher attended years of the event's history. I hope that those of you who made the trek enjoyed the time spent with the rest of the aviation community in attendance.

Now on the backside of 2021 here's what lies near ahead on the calendar of events. At our Thursday meeting we will discuss the Saturday August 28th monthly pancake breakfast. We plan to follow the guidelines we have previously stated using The COVID County Rating. Also happening the same day is the Last Young Eagles Rally at GWB for 2021. Please let Greg Topper know if you are available to help for the breakfast and Laramie Resler know if you are available to volunteer with the Young Eagle Rally. The first Friday of September is the next Hangar Hangout evening, so please plan on sharing a snack and enjoying an evening with a movie and friends.

The clubhouse is open to everyone on breakfast morning, but if you would like to support our Vintage Chapter, hang out with like-minded vintage friends, and take part in member events please think of joining or renewing your VAA Chapter 37 membership! Also, if you know someone who might be interested in joining our club. Please feel free to forward this newsletter to them or send them to our website.

Young Eagles Pilots and Volunteers!

The date for our last 2021 Young Eagle rally at GWB is August 28. The last rally at SMD is September 11. We are having two rallies at C62, one with their Wings and Wheels on September 11 and one on September 18. They are also listed on www.VAA37.org and www.EAA2.org.

We still have time for pilots who fly Young Eagles in August 2021 to earn double the usual amount of Young Eagles credits! For each Young Eagle flown at our August rally, a credit of \$10 will be awarded to the chapter.

We have enough pilots for August 28, but I need to know how many will be helping as part of our ground crew. While you all (pilots and ground crew) are checking your calendars, we can use some help at the C62 rallies. Please send an email to youneagles@EAA2.org or text me at 260-402-3478 and include your name in the text.

Thanks for what all of you do to make the Young Eagles program a success!

Smooth Air!!

David and Laramie Resler
