

Greater Fort Wayne EAA
Vintage Chapter 37, Inc

February 2023

NEXT GATHERING

Thursday, February 16th, 7pm at our Clubhouse
Following a business meeting (as brief as possible),
Danny Aavang will share his adventures with heli-
copers, starting in the military, additional training
and experiences thru retirement from flying
Parkview's Samaritan, and his
current involvement with the
National American Huey History Museum
at Grissom.

Way back in December (wow that seems so long ago), we had a Christmas Party/Potluck dinner and Auction. Thank You to everyone who participated—we had a lot of fun. Especially Thank You to everyone who made donations to the auction, and a great big **Thank You to David Dewalt**, our auctioneer extraordinaire. We netted \$330 for the Chapter. 🎉🎉🎉🎉 Next party idea, anyone?

What a tease this year's weather has been! Fortunately there's been warmer spells too, but at times it's been super cold. **Some of our usual activities have been CANCELLED.** We hope to resume in March:

- | | |
|---------------------------------|------------------------|
| First Friday (starting April 7) | Hang-Out at the Hanger |
| Second Thursday | Board Meeting |
| Third Thursday (March 16) | Chapter Gathering |
| Fourth Saturday (March 25) | Breakfast |

Speaking of Fly-In Breakfasts...

We need more of our members to help. We hope to be able to schedule some folk early to set up, change out mid-morning with other folk (yep, some are late-risers) to stay and clean up. Next Breakfast will be March 25th—please let Laramie Ressler know how you will help.

It's also what this Chapter is all about. If you have an idea for a program at one of our Gatherings, or maybe a field trip to somewhere, please let one of the board members know. We learn from each other at Hang-Outs. We learn more in depth with prepared programs.

LEARNING
IS
FUN

Young Eagle Rally dates have been set for this year. But we can always add special Young Eagle Events. If you have contact with a youth group at a church, a homeschooling program, or any other group of young people age 8-18 who might be interested in a special program, please let David & Laramie Resler (260-402-3478) know.
